Why Choose Eventide's School Holiday Program?

Hands-On Animal Experiences

Each child will have the unique opportunity to interact with and learn about the amazing animals at the sanctuary. From feeding sessions to a buggy tour, they will get a closer look at the work we do and the animals we care for.

Creative and Fun Activities

Our program includes arts and crafts that allow children to express their creativity. They'll make animal-themed crafts and learn about using natural, sustainable materials in their creations.

Nature and Environmental Education

Children will explore the sanctuary's beautiful surroundings and gain an understanding of the importance of animal welfare, conservation, and how they can help protect the planet.

Build New Friendships

An opportunity for each child to make new friends with animals and people through group activities, games, and team-building exercises that emphasise kindness and empathy.
