Thanks to everyone who participated in the 2026 North Dakota Junior 4-Position State Championship and the NRA Junior 4-Position Sectional match this past weekend. This year we had 20 competitors fire the State match and 18 fire the Sectional match compared to 15 for the State and Sectional last year. Nice to see a few more juniors at the event – but it sure would be nice to see a few more juniors and teams from other clubs in the State. As always – pass the word of the shooting sports along to others and let's see if we can get a few more junior competitors to the range next time.

Thanks to all that helped me with the event including Dallas Quamme, Rick Ziegler, Cort Malmedal, Ren Anton, Walt Fairbanks and Blake McCann. It was nice to have a lot of help setting targets during the match – this helps to move things along during the event, and I really appreciate all the help at the end of the match to get things taken down and put away. Thanks to Mary Kay and Tina running the Orion scoring system, and to Tyler Klebe who did some IT work to get our printer up and running again. Finally, thanks to everyone that brought food – we again had excellent breakfast, lunch and/or dinner items at the matches – I appreciate all the donations from the families in our club (these guys prepare some great dishes).

On to the results.....

Congratulations to our 2026 North Dakota 4-Position Junior State Champion – Cady Malmedal with an excellent score of 392-26x. The Bismarck/Mandan Gold team took the State team event firing a 1525-68x. We still need some other teams from around the state to get to this match.

In the Sectional event, Piper Koller took the Gold medal with a score of 394-27x. Silver Medalist was Maya Lovelace with a 388-15x and Cady Malmedal took the Bronze firing of 385-20x. The Bismarck/Mandan Gold Team fired a 1529-65x to take the Sectional Team event.

Congratulations to all the competitors that attended the event. Keep up the hard work **AND DON'T forget to have fun in this sport.** The 2026 smallbore season is moving to its conclusion. I've listed the remaining upcoming events for this season below. I hope to have the awards for the out-of-town juniors with me at the 2026 Open 4-Position State Championship and Sectional in Grand Forks this weekend (contact Denny Coulter if you are planning to attend).

Our next event will be our 2026 Club Championship on March 21, 2026. This will be a 4x10 match with a 20 shot (per shooter) team event. Out of town competitors are invited to attend our Club Championship – however, the Club Championship award will go to a Junior member of the Bismarck/Mandan Rifle and Pistol Association – certificates will be awarded to any winners from other clubs.

Don't forget the outdoor state championship events in Grand Forks on June 6 and 7. This is our only outdoor smallbore match in the state. Championships are awarded for position and prone, Open and Junior. There is also a 200-yard match. Put this event on your shooting sports schedule. Contact Denny Coulter for these matches.

Thanks to all and good shooting.
