

BMRPA 22 Bench Rest Rifle Results

October 2, 2025

Greetings 22 Bench Rest Rifle shooters,

We had a pretty good turnout for the October match considering the nice warm weather and everyone is getting ready for winter. The headline this match is Lee Thomas had a bowl of "whoop-ass" for breakfast and took home a decisive win on all three targets. If that happened before it has been a long time. Practice and concentration seem to work pretty well for Lee.

We were promised, again, a shipment of red targets this time in the week of October 6. Dave will keep us posted.

The Fall Showdown match is November 6. This is usually one of our most popular matches. A reminder about ties;

The first 3 places on all 3 color targets are settled with a shoot-off in Showdown matches. Single shots until a shooter outscores or hits an X and the other fails to do so. If you tie and are not present when the tie/shoot-off is announced, the win goes to the other shooter. All matches are settled on match day by 3PM.

Thanks for supporting bench rest shooting.

See you at the range, Dennis
