We finally had a day where the wind wasn't blowing 20mph + but it did get a little breezy toward the end. I want to thank all of you for coming out for the 1st outdoor match of the 2026 season. The next match is scheduled for June 10th. Going to have to do a little or a lot of tuning and switch some gear to catch Collin Weisz, he is always a top competitor, congratulations Collin! See you all next month
Doug Kitzan, Match Director
