We had a nice day for a match and gained one new shooter, Westley Newmiller, hope to have you back for another match. Collin Weisz seems to have figured out how to shoot a decent score in 17 HMR and hope that continues. We had several crossfires today which got kinda funny after awhile but it happens, what really made me wonder was who shot my container of staples at the 100 yard line, 3 shots and it wrecked all the staples, what the hey. Anyway it is all for fun and the next match is scheduled for August 12. Thanks to all who came out. Till next time, Doug Kitzan, Match Director
