It was a warm and windy day again but we had a full relay of shooters. We had a new shooter join us even a little late but with a little coaching, as to scope sight settings, went and set a club record in the 22LR category. Congratulations to Braxton Miller shooting a 660 his first time out. Our next match is the second Wednesday of the month on September 10th. Tune up those 22LR's as the bar has been set pretty high, hope to see you all next match. Thanks to all who helped keep this match moving along especially with scoring.
