BYRD & FLANIGAN
CREMATORY & FUNERAL SERVICE

OUR HISTORY & FREQUENTLY ASKED QUESTIONS

Serving Families with Care, Clarity & Respect

Established in 2016, Byrd & Flanigan Crematory & Funeral Service is independently owned by Keenan Byrd and Michael Flanigan, both Gwinnett County natives. As licensed funeral directors and embalmers and certified crematory operators, they bring more than 75 years of combined funeral service experience. With our on-site crematory in Lawrenceville, we are committed to caring for your loved one with dignity and guiding your family through each step with compassion, clear explanations, and personal attention.

QUESTIONS ABOUT OUR SERVICES

Is your funeral home and crematory independently owned?

As an independently and privately owned full-service funeral home and crematory, Byrd & Flanigan provides personal guidance directly from owners Keenan Byrd and Michael Flanigan. We listen carefully to your family's wishes and work with you to create meaningful arrangements that honor your loved one. With decisions made locally and in-house, we can give special requests our personal attention and respond promptly. Our commitment is to serve your family with compassion, flexibility, and clear communication throughout every step of your care.

Can your funeral home accommodate a funeral service?

Our chapel seats up to 180 guests, and our spacious viewing rooms provide a welcoming setting for family and friends. We will work closely with your family to understand the anticipated attendance and plan a comfortable, respectful gathering to honor your loved one.

Do you charge an after-hours transfer fee?

We are available twenty-four (24) hours a day to bring your loved one into our care, with no additional charge for after-hours transport.

Do you have refrigeration on-site?

We provide on-site refrigeration to care for your loved one with dignity. This service is included for four (4) days from the date your loved one is brought into our care. Beginning on the fifth (5th) day, an extended care fee of $50.00 per day applies when arrangements are delayed. This fee is waived when the delay results from circumstances beyond the family's or the funeral home's control.

What are your office hours, and when is assistance available?

Our regular office hours are Monday through Friday, 9:00 a.m. to 4:30 p.m., excluding federal holidays. Extended hours are available for scheduled evening visitations. Our office is closed on weekends when no services are scheduled. Our commitment to your family continues beyond office hours. We are available twenty-four (24) hours a day to bring your loved one into our care. Keenan or Michael is available by phone twenty-four (24) hours a day at (770) 962-2200.

Do you require appointments to make arrangements?

While we maintain an open-door policy during business hours, we prefer and encourage appointments so we can give your family dedicated time and personal attention. Following a death, we will contact your family to schedule a convenient meeting time that accommodates your needs while respecting any previously scheduled appointments and services.

Do you charge an additional fee for a cremation to be completed within 24-48 hours?

We work to accommodate your family's request for completion within 24-48 hours at no additional charge, subject to required authorizations, permits, and scheduling availability.

What is included, and may we omit services?

Our Price List identifies the services included in each arrangement. Any price adjustment for omitted services depends on the arrangements selected. We will explain applicable charges before you make your selections.

Is there a fee to witness a cremation?

We offer witness cremation at our on-site crematory for both direct and casketed cremation arrangements, at no additional charge. For direct cremation, witnessing must be scheduled Monday through Friday, between 10:00 a.m. and 4:00 p.m.

What viewing and visitation options do you offer?

Immediate family may request a private viewing before direct cremation; see our Price List for additional charges. We offer evening visitation until 8:00 p.m.

Can we have a funeral service before cremation?

We can help you plan a meaningful funeral service before cremation, with arrangements tailored to your family's wishes.

What are cash advances, and do you add any fees?

Cash advances are third-party items added to your total. We pass these third-party charges on to your family at their actual cost, without adding any fees. Federal Trade Commission (FTC) rules require written disclosure of added fees for obtaining these items.

How are cemetery charges handled?

Each perpetual care cemetery sets its own charges, payable directly to the cemetery. Third-party cemetery services we arrange and pay for on your behalf are listed as cash advance items.

Do you offer live streaming for services held at your funeral home?

We offer live streaming for services held in our chapel at no additional charge to the family, allowing those unable to attend in person to join in honoring your loved one.

FUNERAL, CREMATION & MERCHANDISE DISCLOSURES

FTC DISCLOSURES

FTC FUNERAL RULE - RIGHT OF SELECTION

The goods and services shown on our General Price List are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the Statement of Funeral Goods and Services Selected.

MERCHANDISE PURCHASED FROM ANOTHER PROVIDER

You have the right to purchase funeral merchandise from another source. Byrd & Flanigan Crematory & Funeral Service will not refuse to handle merchandise purchased elsewhere and will not charge an additional handling fee solely because the merchandise was purchased from another provider. Merchandise deliveries are accepted during our regular operating hours, Monday through Friday, 9:00 a.m. to 4:30 p.m., excluding federal or state holidays. Additional evening or weekend hours vary with scheduled funeral services and visitations. Please contact us to arrange delivery outside regular hours. As noted on our Merchandise Price List, funeral service dates will be confirmed once the selected casket or urn is in our current stock or has been received and inspected to confirm it is undamaged. This policy applies to merchandise obtained through our funeral home and from another provider. Byrd & Flanigan cannot guarantee shipping or arrival times for merchandise.

EMBALMING DISCLOSURE

Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial.

CASKETS & URNS SUPPLIED BY

- Batesville Casket Company
- Service Casket Company
- Cherokee Casket Company
- Crescent Memorials
- Church & Chapel

OUTER BURIAL CONTAINER DISCLOSURE

In most areas of the country, state or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements. Any cemetery-specific requirement will be explained to you before the merchandise is selected.

DIRECT CREMATION - ALTERNATIVE CONTAINER DISCLOSURE

If you want to arrange a direct cremation, you can use an alternative container. Alternative containers encase the body and can be made of materials like fiberboard or composition materials, with or without an outside covering. The alternative containers provided by Byrd & Flanigan Crematory & Funeral Service are made of fiberboard or other crematory-approved materials. A casket is not required for direct cremation.

CREMATION FIBERBOARD CONTAINERS

- Batesville Casket (rental casket insert)
- Starmark Funeral Supplies (rental insert)

CASKET & OUTER BURIAL CONTAINER WARRANTIES

Some caskets, burial vaults, grave liners, and other funeral merchandise may be accompanied by a written warranty from the manufacturer. Any such warranty is made by the manufacturer and not by Byrd & Flanigan Crematory & Funeral Service. A copy of any applicable manufacturer's warranty will be made available to the purchaser for review. Byrd & Flanigan Crematory & Funeral Service does not independently guarantee that any casket, burial vault, grave liner, or other funeral merchandise will prevent the natural decomposition of human remains or permanently prevent the entrance of water, soil, air, or other gravesite substances. Any statements concerning construction, sealing systems, resistance to outside elements, or other protective characteristics are based upon information and warranties supplied by the manufacturer. No casket, vault, grave liner, embalming procedure, or other funeral product or service can preserve human remains indefinitely.

CREMATORY & FUNERAL SERVICE

A Life Remembered

When a life has touched our own,
its goodness does not disappear.
It lives in stories gently told,
in laughter we can still hear.

In every kindness passed along,
in every lesson, smile, and grace,
love leaves a quiet, lasting light
that time can never quite erase.

Each family has its own way
of honoring a life and saying goodbye.
Yet memory speaks to every heart,
and love remains when words fall shy.

May cherished moments bring you comfort,
may gratitude bring gentle peace,
and may the love carried forward
be a light that does not cease.

Thank You

Thank you for taking the time to review our General Price List.
It is our privilege to provide clear information, thoughtful guidance,
and compassionate service as you consider the choices that are right for your family.
