Office Hours are Monday through Friday 8am to 4:30pm, excluding holidays.

Storage Facility hours are Monday through Friday 8am to 4:30pm, excluding holidays.

Two and four hour minimums are in place to cover the cost of equipment and maintenance on the equipment that is dispatched to the scene. If a piece of equipment is on scene that has an hourly minimum in place, all other equipment on scene will be billed with the hourly minimum.

When called to an incident scene, WBJG Towing & Recovery will dispatch the equipment that has been requested, along with any other equipment that is deemed necessary by our personnel to perform the recovery in the safest and fastest manner to reduce the liability of additional accidents, damage, and injury. If the equipment dispatch arrives on scene and is not needed, it may still be billed for.

Emergency is defined as any response with less than 24 hours notice.
