Joining instructions for Muirtown Basin, Inverness

We will be ready to welcome you aboard between 2.00 and 2.15 pm on the Saturday at the start of your cruise. Please try not to arrive before 2pm - our 'turnaround' time is short and busy and we may not be available to give you the welcome we'd like to.

From Edinburgh & the South

BY CAR

- Inverness is reached by the A9 via Perth. Travel on the A9 with the city to your left. At the roundabout, before the Kessock Bridge, take 1st left off the A9 and follow the signs into the city centre. Go straight over two roundabouts and on the third follow the 4th exit and the A862 to Beaulieu (Telford Street). Look for a roundabout with a PC World store on the left and a Co-op to the right. Go straight across this roundabout and after about 100 yards turn right into Muirtown Basin. This is just before a small bridge where the road crosses the canal.

From Glasgow/Fort William

- Take the A82 along the Great Glen through Spean Bridge and Fort Augustus. Shortly after passing the "Welcome to Inverness City" signpost take the 1st left on to the General Booth Road, signposted for Beaulieu and just before the Torvean Golf Club small car park, on the right. Follow this to the T junction and at the traffic lights, turn right and then cross the canal bridge with the staircase of locks on your right. Turn left immediately after the bridge into Muirtown Basin. Fingal / Ros Crana will be alongside the harbour wall directly ahead of you in Muirtown basin. Locked parking is available here.
