JUNE 1: NATIONAL SAY SOMETHING NICE DAY

A great day to appreciate your favorite automotive brands or express gratitude to your mechanic!

Thanks for the Kind Words!

"I needed my neutral switch replaced on my 2015 Subaru. From the moment I walked into the shop, I was greeted professionally. The office was the cleanest auto mechanic shop I have ever been in. Knowing how they take pride in their appearance made me feel that they would take pride in their workmanship. They did not disappoint. They got the job done and didn't try to push anything else on me. Thank you." - Mary Gunderlock

MANAGER'S MINUTE

Summer is right around the corner, and things are already in full swing here at the shop. With warmer weather and travel season approaching, we have been staying busy helping customers get their vehicles ready for the road ahead. We always look forward to this time of year and are excited for another great summer serving our community. We are also excited to introduce a new face in the office – Chris! He comes to us with experience as a technician, shop manager, and service writer. His background is already helping to create a smoother flow throughout the shop. If you stop by, make sure to say hello and welcome him to the team.

We also want to keep everyone informed about some upcoming industry changes. Unfortunately, the prices of oils, coolants, and other automotive chemicals are expected to rise over the next 12-24 months. We are already working closely with Wilson's NAPA to help reduce the impact as much as possible and continue providing quality service at a fair value.

Another exciting update is a major investment we recently made in new equipment. We purchased a new air conditioning machine designed for the newer 1234YF refrigerant systems. It also features nitrogen leak detection, which greatly improves our ability to find leaks in these newer systems. We have already used it several times with great success.

We have been happy to see more customers taking advantage of our coupons lately. We know we are not the cheapest shop in town, but our goal has always been quality over shortcuts. We believe in doing repairs the right way, standing behind our work, and continuing to invest in training, tooling, and technology to better serve our customers.

Over the last year, we have also been working with a business coaching company to continue improving our systems and customer experience. More than anything, we want everyone who walks through our doors to feel like family. As always, thank you for your continued support, trust, and loyalty.

MANCAKES

Start Dad off with these sweet and savory pancakes with the bacon built right in. "Sweet/savory hybrids can be tricky sometimes but I think this worked beautifully," says Chef John. "We are talking about bacon, cheese, and onions after all, so it wasn't that big of a shock. The way the chipotle-spiced maple syrup brought everything together was a risk well rewarded."

INGREDIENTS

- 8 ounces bacon, chopped
- 1 pinch cayenne pepper
- 1/2 cup thinly sliced green onions
- 1 1/2 cups milk
- 1 1/4 cups all-purpose flour
- 2 ounces sharp cheddar cheese, grated
- 3/4 cup cornmeal
- 1/8 teaspoon chipotle chile powder, or to taste
- 1 tablespoon baking powder
- 2 large eggs, beaten
- 3/4 teaspoon salt
- 2 tablespoons butter, melted
- 1 pinch ground black pepper
- 1 tablespoon white sugar
- 1 cup warm maple syrup, or to taste
- 1 teaspoon vegetable oil
- 1 teaspoon butter

DIRECTIONS

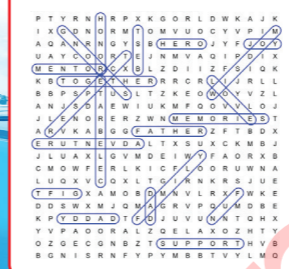

1. Gather all ingredients.
2. Cook bacon in a large skillet over medium-high heat, stirring occasionally, until evenly browned, about 10 minutes. Off heat, stir green onions into bacon; sauté in hot drippings until slightly softened, 1 to 2 minutes. Transfer bacon mixture to a strainer; drain. Reserve drippings.
3. Whisk flour, cornmeal, baking powder, salt, black pepper, and cayenne pepper together in a large bowl; whisk in drained bacon mixture, milk, cheddar cheese, eggs, melted butter, and sugar until batter is smooth. Let batter rest for 10 minutes.
4. Whisk maple syrup and chipotle chile powder together in a small bowl until chile powder is completely dissolved.
5. Heat 1 teaspoon reserved drippings, 1 teaspoon oil, and 1 teaspoon butter on a griddle over medium-high heat. Drop 1/4 cupful of batter per mancake onto the griddle; cook until bubbles form and edges are dry, 3 to 4 minutes.
6. Flip; cook until browned on other side, 2 to 3 minutes. Repeat with remaining batter.
7. Transfer mancakes to a plate; top with maple syrup.
