2026 JUNIOR SUMMER PROGRAM

Philosophy

Our number one goal is to make sure your children enjoy themselves playing golf. If they enjoy golf, they will keep playing. As they keep playing, and develop correct swing mechanics, they will become better players. We combine instruction, imitation, and fun exciting games to keep their interest level high.

ADVANCED JUNIOR GOLF PROGRAM

The Teaching Center will offer Level II Golf for the more advanced Junior Golfer. The program is available to golfers ages 10 through 15. They must own their own clubs, and have the ability to walk and carry their clubs for 9 holes. Since it is a more advanced class, the golfer should have playing experience, an understanding of the basics of the golf swing, and hit the ball with some consistency. To register, you must call (508) 351-9500.
