Improve and learn more about your game as you play. Our on-course instruction is now available for beginners with some experience with swing basics, juniors, and more advanced players. Established golfers will improve their strategy; where to aim, what club to hit, and how to play certain shots. Beginners will learn course etiquette and feel more comfortable while achieving a better understanding of the game. Golfers will meet at the Juniper Hill Golf Shop just before 6:00pm to begin play.
