Improve and learn more about your game as you play. Our on-course instruction is now available for beginners, juniors, and more advanced players. Established golfers will improve their strategy. Where to aim, what club to hit, and how to play certain shots will all be discussed during the lesson. Beginners will learn course etiquette and feel more comfortable while achieving a better understanding of the game. Golfers will meet at the Juniper Hill Golf Shop at 6:00pm to begin play. There will also be a junior on-course program and private daytime programs for adults. Beginners should have some driving range or lesson experience.
