All sessions are free and a brave space for folx to create community with others with personal or familial experiences. Our circles are rooted in storytelling and restorative justice practice.

These sessions are offered through Rising Voices, which creates new plays with the community based on their lived experience and perspectives. Questions or more information:

Anastasis amplifies the power of story. We gather, create, and dialogue with the community around art that centers the impacts of the legal system on our collective well-being. We cultivate communal experiences where personal and cultural transformation will seed a more just future for us all.
