ACCESSING THE PARISH ONLINE DIRECTORY

In order to access the Online Parish Directory, you must have had your photo taken and you had to fill out an Information Form in February/March 2020.

If you would like to be included in the directory before we are able to resume taking photos, please send Fr. Clark an email to clarktf2002@yahoo.com with your name, address, telephone numbers (land line and cell), and email address.

Fr. Clark will include you in the directory without a photo and you will be able to take a photo as soon as "normal" church operations resume. In the meantime, you can upload a photo on your own.

1. Go to instantchurchdirectory.com.
2. Click on Church Member Sign-In.
3. Click on First Time Signing-In? Create Login.
4. Enter the email address that you have sent Fr. Clark. Create a password.
5. You will receive a link inside an email from Instant Church Directory. Use this link to access the directory
6. If you have any difficulty accessing the Parish Online Directory, please contact Fr. Clark.
