

Bryant Smart Thermostat Featuring IntelliSense™

TSTATBBIEWF-01*

Our New Smart Thermostat with an Even Smarter Connection

IntelliSense™

SIMPLE

Designed for quick and easy installation – everything needed is in the box.

SMART HOME READY

Scan the Smart Home QR code on the back of the thermostat to connect with most third-party smart home systems.

CONNECT WITH EASE

The Bryant SmartHome app with guided setup makes a fast and easy connection to the Smart Thermostat.

VISUAL CUE AT STARTUP

Confirm system startup with just a glance – heating, cooling and fan operation are signaled by an illuminated LED border around the screen.

COMPATIBLE

Works with gas, oil, electric, heat pump and dual-fuel systems. Supports conventional (2H/2C) and heat pump (3H/2C) systems, humidifier, dehumidifier, and ventilator accessories.

EXPERT INSTALLATION

Installed by a Bryant contractor ensures that the thermostat is configured to optimally run the heating and cooling equipment.

PERSONALIZED SCHEDULES

Set daily comfort schedules and adjust home temperatures from anywhere using Bryant SmartHome app.

PATENT-PENDING DESIGN

Thermostat easily snaps on and off its backplate thanks to our magnet and push POGO Pin design.

NEW BRYANT SMART THERMOSTAT FEATURES

PERFECTADJUST™ FEATURE

To unlock our patent-pending PerfectAdjust feature, pair this thermostat with the Bryant 249VAN variable-speed heat pump to deliver potential money-saving energy efficiency, and more consistent indoor temperatures.

OVER-THE-AIR EQUIPMENT UPDATES

The Bryant Smart Thermostat featuring IntelliSense is capable of updating itself and select Bryant equipment.** When a new firmware version is made available, it's simply pushed out to the thermostat.

SMART SERVICING

When paired with IntelliSense-enabled Preferred™ Series equipment, and homeowner permissions to data sharing, contractors can have access to critical performance data. The performance data is available via the Connected Portal and Service Technician app for remote troubleshooting and system diagnostics analysis.

* Not intended for sale in Canada.

** When connected to the Internet through a Wi-Fi® network.
