Purpose & Sponsorship Opportunity

For 30 years, the Greater Cincinnati/Northern Kentucky African American Chamber of Commerce has fueled business growth, economic opportunity, and regional collaboration. This milestone celebration honors that legacy while setting the vision for the future of Black business leadership.

A 30th anniversary is symbolized by Emerald and Pearl, representing strength, wisdom, and enduring value – qualities reflected in the Chamber's impact and the businesses it supports.

With 600+ expected attendees, including business owners, executives, elected officials, entrepreneurs, and community leaders, this event offers sponsors direct visibility among the region's most influential voices. Sponsoring demonstrates a commitment to economic progress while positioning your brand alongside innovation, leadership, and community investment.

The evening will feature Black Business Hall of Fame inductions, executive networking, entertainment, and a forward-looking celebration of what's next.
