

**PRESS RELEASE**  
**MCINTOSH COUNTY SCHOOL BOARD**  
**May 6, 2026**

**BOARD MOVES FORWARD WITH SUPERINTENDENT  
SEARCH**

The McIntosh County Board of Education continues to work on selecting a new Superintendent of Schools. Planning for the search began in March and the Board engaged Georgia Leadership Associates, a superintendent search firm, to serve as consultants for the search. The position was advertised with an application deadline of April 30, 2026 and information about the search has been available on the school system website. The board also conducted an online survey with community members and school district staff.

On May 6, 2026 the Board began reviewing applications and planning the interview process. After the first round of interviews are completed, the Board will select a small number of candidates for a second round of interviews.

The Board received 19 applications for the position. Ten of the applicants have a doctorate and three of the applicants have superintendent experience. Also, in the search there are thirteen who have executive level experience as assistant superintendents or district level directors, and 14 with principal experience. The applicants are from five different states.

“We are pleased with the pool of candidates and look forward to continuing the process” stated Mrs. Missy Brigman, Board Chair. “The Board is committed to selecting an excellent leader for our school system,” she continued.
