

MEET DR. PANDYA

Beebe welcomes **Punit Pandya, DO**, as part of our clinical affiliation with the Jefferson Health Neuroscience Network.

Dr. Pandya is a fellowship-trained, board-certified neurosurgeon with advanced subspecialty training in complex and minimally invasive spine surgery. He specializes in advanced treatments for conditions affecting the neck, upper back, and lower back. He offers surgical approaches to relieve pressure on the spinal cord and nerves, stabilizes the spine through fusion, and when possible, preserves natural movement through motion-sparing surgeries.

COMMUNITY PRESENTATION

Lewes Senior Activity Center

32083 Janice Rd, Lewes, DE. 19958

 **March 11, 2026**

 **1:00 - 2:00 p.m.**

This presentation is designed to share helpful information for educational purposes. When choosing clinicians, we encourage you to make decisions that best meet your individual healthcare needs.
