

A vibrant casino-themed graphic. At the top center, five playing cards (Ace of Diamonds, Ace of Clubs, Ace of Hearts, Ace of Spades, and a fourth Ace) are fanned out. Below them is a large red shield-shaped sign with a yellow border of small lights, containing the text 'HARRINGTON CASINO' in yellow. The sign is flanked by two orange slot machines with '777' on their reels. At the bottom, there are stacks of gold coins with dollar signs, red and black chips, and red dice. The background is dark brown with radiating light rays and starbursts.
