November 2026

From the Executive Director:

As we enter the month of November, a season naturally centered around reflection and thanksgiving, I want to take a moment to express my deepest gratitude to everyone who makes LSAC such a vibrant and caring place.

To our extraordinary staff, board, and dedicated volunteers: thank you for your unwavering energy, heart, and commitment. Day in and day out, your hard work creates a welcoming and supportive environment for all who walk through our doors.

To our members: thank you for being the heart and soul of our Center. Your participation, warmth, and fellowship inspire us every day and remind us why our mission matters so much.

Center Updates:

I want to share some exciting news, our Assistant Director, Joanne Murphy has transitioned into the role of Operations Director for the Center. Please congratulate her as she steps into this key position to help guide our daily operations.

Also, LSAC has a new front reception desk policy. To ensure member privacy, smooth operations, and a clear workflow for our front desk staff and volunteers, we kindly remind all members and visitors that the area behind the front reception desk is reserved for staff and designated volunteers only. We appreciate your cooperation!

I wish you all a joyful, restful, and safe November filled with warmth and community.

🤝 **Volunteer Needs: Make a Difference with Local Students!**

Did you know LSAC offers volunteer opportunities beyond exercise classes and games? We are looking for volunteers to work with a small group of students from the Sussex Consortium.

The Consortium provides intensive services to help students address their identified areas of need. Through evidence-based practices and curriculum, the goal is to close learning gaps and help every student reach their fullest potential.

Each Thursday morning from 10:30–11:45 a.m., students are brought from school to LSAC to craft, play games, and enjoy mentoring in an environment outside of home and school.

Interested in making a difference? Please contact Nancy, LSAC's Volunteer Coordinator, to learn more about this rewarding opportunity!

We hope to see you at the Holiday Craft Fair and Soup Sale

****Lewes Senior Activity Center Executive Director, Kristy Handley, Receives Governor's Certificate of Commendation****

Recognized for advancing public health and strengthening Delaware's community health workforce

LEWES, Del. (October 15, 2026) – The Board of Directors and members of the Lewes Senior Activity Center are proud to congratulate Executive Director Kristy Handley, M.S., on receiving the Governor's Certificate of Commendation from Governor Matt Meyer. The award was presented on October 6, 2026, in recognition of her work advancing public health and strengthening Delaware's community health workforce.

The Governor's Certificate of Commendation honors individuals or groups whose actions, initiatives, or accomplishments have strengthened communities and advanced the well-being of the First State. The certificate recognizes Kristy's dedication, innovation, and commitment to service, noting that her accomplishment "exemplifies the spirit of initiative, leadership, and community that makes Delaware stronger."

A Career Devoted to Delaware's Vulnerable and Aging Populations

Kristy brings more than a decade of leadership experience in healthcare, nonprofit management, and advocacy to the Lewes Senior Activity Center. Her earlier honors include recognition as a Delaware Today Top Women in Business honoree and a Pete duPont Freedom Foundation Reinventing Delaware Top 10 Table winner.

Building a Vibrant, Cutting-Edge Senior Center

Since arriving at the Lewes Senior Activity Center, Handley has worked tirelessly to build new programs and continue expanding the Center's membership. Under her leadership, the LSAC is moving from being a young organization to becoming a vibrant, growing, cutting-edge senior center focused on helping older adults stay active, involved, and healthy.

“Receiving this recognition is truly humbling”, says Kristy. “It serves as a powerful reminder of why community work matters and reinforces my commitment to public service. Looking ahead, I am eager to channel that passion into my work with the Lewes Senior Activity Center and remain dedicated to developing meaningful programs that serve, enrich, and strengthen the lives of those in our community”.

Board President, Alan Fegley, said, “The Board of Directors is excited that Kristy chose to join the LSAC as the Executive Director. Her past accomplishments, highlighted by the Governor’s Certificate of Commendation, are numerous and reflective of her incredible leadership. The LSAC Board of Directors enthusiastically supports her vision for the LSAC. A vision that reflects the passion which has defined her career – creating inclusive, sustainable environments where older adults can build social connections, stay healthy, and enjoy a high quality of life.”

SENIOR MOMENTS

Volunteer Spotlight

Denise Hiner

When did you become a member of LSAC? I joined in March of 2022.

Why did you start volunteering? Once I retired, I wanted to keep busy by volunteering to help others. I began volunteering regularly in Ceramics as I found wonderful people there, both as other volunteers and members coming in to try their skills at Ceramics.

Tell us about a positive experience you had as a volunteer that made a difference in your life. I find it very rewarding and love to see the excitement and satisfaction on members' faces when they are pleased with the beautiful results on their finished pieces. We have many talented artists at the center. I try to also help with other events going on at LSAC. It is a very active Center, with many kinds of people.

Where did you live before moving to this area, and how long have you lived here? I moved here from Damascus, MD in July 2021 while still working during Covid. I love living in Lewes!

Get to know the LSAC Staff

Sue Petko

What is your role at LSAC, and what do you enjoy most about it?
I work at the front desk handling reception and transportation scheduling. I love greeting our members, hearing about their news and interests, and helping them schedule their rides. Sometimes, those phone calls are about more than transportation—they're also an opportunity for members to have someone to talk to and share a little of their day with. I enjoy making those connections and helping our members feel welcome and cared for.

What is one fun fact about yourself that might surprise our members? My daughter just had a baby girl and now I'm a grandmother!

What are your favorite hobbies or ways to spend your free time? I love to do crafts, crossword puzzles, and reading.

What's one thing on your bucket list? I'd love to go to Sweden to visit my family that lives there.

What is one piece of advice, favorite quote, or life motto you try to live by? Carry out random acts of kindness, with no expectation of reward, safe in the knowledge that one day someone might do the same for you~Princess Diana.
