Wild horses, dolphins, birdwatching, spectacular scenery and wildlife in Virginia. Assateague Explorer's U.S. Coast Guard Certified tour boat "Misty" departs from Chincoteague Island, Virginia, by the beautiful southern part of Assateague. Traveling by boat is the ultimate way to see wild ponies, eagles, shorebirds, marine life and spectacular views. Led by an experienced captain with local knowledge, cruise along the backside of Assateague for the best chance to see the wildlife. The Assateague Explorer cruise takes you to places the legendary wild horses and migratory birds call home. Since 2001, we have introduced thousands of visitors to these pristine areas on our cruises. Assateague Explorer's nature cruise offers a balance of relaxation, natural history and outdoor adventure.
