

# MEET THE STROKE COORDINATOR

Katelyn Scarff, BSN, RN-BC

## About Me

I am Katelyn Scarff, & I have over 10 years of experience in the healthcare field. I began my career at Christiana Hospital in the trauma/surgery department where I was a nurse for 9.5 years. During my time there, I gained extensive experience in high-pressure environments, providing care critically injured & post-surgical patients.

For a change of scenery & to be close to some of our family, my husband & our children moved to Lewes last fall. I joined Beebe health Care as the Stroke Coordinator, where I am responsible for overseeing the stroke care program, ensuring that patients receive the highest quality of care.
