PINOT NOIR

KALITA VINEYARD

THE AVA

The ancient marine sedimentary soils of the Yamhill-Carlton AVA are some of the oldest in the Willamette Valley. Originally the final destination for the early Oregon Trail pioneers, the district is fast becoming one of the best known Pinot Noir producing areas. The well-drained soils prevent excessive vine growth and result in mouth-filling wines with broad, silky tannins.

THE WINE

The nose is balanced and elegant with notes of cherry and pomegranate. The palate is highlighted by black raspberry and ripe plums interspersed with savory spices and black tea. The mouthfeel is generous with lively acidity and refined tannins.

THE WINERY

At Domaine Divio, Bruno Corneaux applies his traditional Burgundian crafting skills to Pinot Noir and Chardonnay. Achieved through minimal intervention and sustainability in respect of the land, the wines emphasize the elegance and complexity of our Willamette Valley grapes.
