WILLAMETTE VALLEY CRÉMANT

THE AVA
Framed by the Coast Range mountains to the west and Cascade Mountains to the east, the Willamette Valley AVA forms a cool-climate growing basin ideally suited for the production of traditional Burgundian varieties. With an array of different soil types and microclimates, the quality and complexity of Willamette Valley wine has garnered a fierce international reputation.

THE WINE
100% Coury Clone Pinot Noir. Seductive pink pomelo color. The nose is alive with fresh strawberries and a hint of spice. Incredibly fine bubbles burst on the palate and supply lively notes of freshness and complexity. The spices return on the finish, rounded out with juicy red fruit.

THE WINERY
At Domaine Divio, Bruno Corneaux applies his traditional Burgundian crafting skills to Pinot Noir and Chardonnay. Achieved through minimal intervention and sustainability in respect of the land, the wines emphasize the elegance and complexity of our Willamette Valley grapes.
