PINOT NOIR

YAMHILL-CARLTON

THE AVA

The ancient marine sedimentary soils of the Yamhill-Carlton AVA are some of the oldest in the Willamette Valley. Originally the final destination for the early Oregon Trail pioneers, the district is fast becoming one of the best known Pinot Noir producing areas. The well-drained soils prevent excessive vine growth and result in mouth-filling wines with broad, silky tannins.

THE WINE

The nose is lush with floral notes of rose, leather, orange blossom, tobacco and chutney. The mouthfeel is round with vanilla bean elements intertwined with complex red and blue fruits. The finish is sweet and juicy with hints of cola.

THE WINERY

At Domaine Divio, Bruno Corneaux applies his traditional Burgundian crafting skills to Pinot Noir and Chardonnay. Achieved through minimal intervention and sustainability in respect of the land, the wines emphasize the elegance and complexity of our Willamette Valley grapes.
