CHARDONNAY

WILLAMETTE VALLEY

THE AVA

Framed by the Coast Range mountains to the west and Cascade Mountains to the east, the Willamette Valley AVA forms a cool-climate growing basin ideally suited for the production of traditional Burgundian varieties. With an array of different soil types and microclimates, the quality and complexity of Willamette Valley wine has garnered a fierce international reputation.

THE WINE

Delicate white flowers, honeysuckle, pears, roasted hazelnuts and a touch of white peach on the nose. The mouthfeel is precise, elegant, bright and round with great lingering acidity. Notes of crème brûlée and juicy peaches and fresh green apple follow. The wine is very mineral driven with a lush finish.

THE WINERY

At Domaine Divio, Bruno Corneaux applies his traditional Burgundian crafting skills to Pinot Noir and Chardonnay. Achieved through minimal intervention and sustainability in respect of the land, the wines emphasize the elegance and complexity of our Willamette Valley grapes.
