PRICE LIST
Effective March 6, 2023

- **OUR GUARANTEE - “100% Satisfaction Guarantee”**
Community Alternative Funeral & Cremation Services Ltd. is committed to service beyond expectation before, during and after the service. We guarantee that if you are not 100% satisfied with any aspect of our service, we will make every effort to correct the situation. If we cannot correct it to your satisfaction, you will not be charged for that particular service item.
- **Our - “No Hidden Fee Guarantee”**
Funeral and Cremation costs can be very confusing. Often times other funeral & cremation providers will quote what seems like a low price, but actually they do not give you the complete cost and there will be hidden add on charges after you have chosen to utilize their services. We have made it easier to understand by creating our “No Hidden Fee Guarantee” package plans. These plans include Service Fees, Merchandise, Taxes, and necessary Disbursements. We guarantee that the price we give you over the phone or you see on our website, will be the price that you will pay. We will be pleased to email you a quote so that you will have an estimate that is as accurate **as possible**.
- **PAYMENT**
Unless otherwise specified, payment is due within 15 days of signing the contract. Payment may be made by cash, cheque, debit, and VISA or MasterCard. Payment plans are also available to meet most budgets. Financing charges apply to payment plans. Beyond the allotted time, interest will be charged at a rate of 2% compounded monthly, which is equivalent to 26.82% per annum (APR). If the Purchaser fails to make payments required under the contract to the Funeral Establishment, all expenses of collection including court costs and reasonable lawyer fees incurred by the Funeral Establishment in pursuing the claim against the Purchaser will be paid by the Purchaser. Non Sufficient Funds (NSF) CHEQUE: In the event that the Purchaser's cheque is returned by the Purchaser's Financial Institution marked “NSF”, the Purchaser is required to pay an additional \$40.00 for each cheque so returned. If you are pre-paying for services or supplies, pre-authorized chequing is also available.
- **PAYMENT, FINANCING & FUNDING**
We are pleased to offer various payment, funding and financing options to our families. Our payment plans give you the option of making payments over time. We offer a competitive financing program, administration fees and interest rates.
- **PRE ARRANGEMENT FUNDING**
For your convenience, we offer two funding options when prepaying services or supplies. When prepaying, you pay for the services and supplies today and the funds will be used to pay for the services and supplies when they are delivered at the time of death.
Trust: Your funds will be placed in trust, where they will accrue interest until the contract is fulfilled (when the services and supplies are delivered) or the contract is cancelled.
Insurance: You may purchase an insurance policy where the proceeds of the insurance policy will be used to pay for the services and supplies at the time they are delivered or the policy is cancelled.
Additional funding information is available upon request.
Unless otherwise identified, all applicable taxes will be added to the prices indicated.
