

Small Business Educational Workshop -BEYOND BUSINESS EXPANSION 2024-

Friday, April 5 - Anthem Colorado

Most small business owners are in a constant state of overwhelm. Small business owners are invited to learn how to take **CONTROL** of their businesses again and **LEAD** their companies like a Fortune 500 executive.

Registration fees are donated to a worthy cause so participants make a difference in the community while learning. And, with community close to our heart, two pairs of June 7th Heart of Broomfield Award Reception tickets will be given away.

Presenting is a successful entrepreneur, longstanding business expert, and Broomfield resident, Dr. Keppen Laszlo.

In addition to learning strategies to increase sales quarter-over-quarter and how to reduce team stress, you'll have the opportunity to:

- Network with like-minded small business owners,
- Enjoy a continental breakfast and
- Win 23rd Annual Heart of Broomfield Award Reception Tickets

100% of the registration fees will go to the Community Foundation. Thank you to the Broomfield Chamber of Commerce for directing ticket sales allocations to our community-focused programming (non-profit grant-making).
