Treasurer's Report

For the month of November, we received more funds than we spent which reduced our year-to-date deficit to \$21,036. We do have funds built up in our general account from previous years to cover this deficit, and a deficit had been anticipated when we did our annual budget.

Contributions for November:

For Current including Benevolence	\$20,833
Required receipts to meet budget	\$24,184
Offerings to other ministries	\$ 1,439

Have a wonderful Christmas Season!! Remember there are children home from school so watch closely and drive safely.
