Helpful Hints

Before attendance is submitted (because *changes are blocked as soon as you submit* for the month)

- Confirm VPK instructional days and SR holidays are correct for the month.
- Collect and upload absence documentation for SR children throughout the month.
- End enrollments for withdrawn children.
- Submit temporary closures as they happen. Note that ELCFH needs time to review and approve before attendance can be submitted.

After you have been reimbursed for attendance

- Review the reimbursement report to confirm accurate payment for each child.
- Report any potential payment errors [*under or over payment*] to Provider Services for review.

If you have questions, send us a detailed email so that we can research and connect back with answers for you.
