Parents receiving hourly care pay up to the part time fee.

2025 Poverty Level (FPL) effective January 2025.
FFY 2025 ANNUAL State Median Income Estimates

Refer to 6M-4.400, F.A.C.

Income 85% State Median Income: Upper threshold for School Readiness program eligibility

Income 70% State Median Income: Entry threshold for School Readiness Match eligibility

Instructions		
85% SMI	The 85% of the SMI that is included in the red font under each family size is the upper threshold. As a family size increases, the SMI becomes lower than the FPL. Even though this happens, the SMI indicated on the sliding fee schedule is used as the upper threshold for that particular family size.	BG8-ECON
70% SMI	The 70% of the SMI that is included in the green font under each family size is the entry threshold for SR Match. As a family size increases, the SMI becomes lower than the FPL. Even though this happens, the SMI indicated on the sliding fee schedule is used as the entry threshold for that particular family size.	SRMAT
TCA Clients	Income may exceed 85% of SMI as long as it remains below 185% of FPL.	BG3-TCAN, BG3W-TCAN, WRC-RC
TANF	Income may exceed 85% of SMI as long as it remains below 200% of FPL. If income increases above 200% FPL, they can be moved to BG8 until they reach the CCDF exit threshold of above 85% SMI.	BG3AP-APP, BG3-28A, BG5-TCC
At-risk and special needs	Eligibility is not dependent on family income. Sliding fee schedule assists in setting parent fee.	BG3R-RCG; BG1-IN, -OUT, -14R, -13, -11, -FAM, -HOME, -11D; CF-
