## Additional Questions and ELCFH Responses to:

**Request for Proposal RFP** #2026-02

**Request for Proposals for:** Copier Refresh and Maintenance

- 1) What is the percentage of the black & white vs. color in the consolidated monthly copies?  
**Average of 16,000 consolidated monthly copies; black/white 30% and color 70%. The 3 larger units make up 75% of the consolidated monthly copies (black/white 21% and color 55%)**
- 2) Larger Units (2) 5052 and (1) 6053, how many paper drawers for each unit? **Each unit must have two drawers, letter and legal. Ledger through the bypass only.**
- 3) M Series machines how many paper drawers? **Each unit must have one drawer for letter and bypass for legal.**
- 4) M Series machines do not scan at 75 PPM, is the speed meant for the larger series units? **Yes, the M series machines have a lower ppm speed.**
- 5) **There is not a need for stapling as a finishing feature for ANY machines.**
