

All Your Pet's Information in One Place

With PetScreening's Pet Profile, all of your pet's information is at your fingertips in an easy to access digital space — Always there where you need it, when you need it.

What to Include in Your Pet Profile

- Pet or animal name, weight, birthday and photos
- Pet or animal documentation such as:
 - Vaccination records
 - Vet contact information
 - Healthcare provider documentation and contact information if creating an assistance animal profile
- Microchip information
- Pet insurance information

Pet Profile Benefits

- ✦ 12 month access to a digital pet profile. Active profile information can be shared with property managers, groomers, pet daycares, pet sitters, hotels, HOAs, campgrounds, veterinarians and more.
- ✦ Friendly reminders of expiring animal vaccinations.
- ✦ Exclusive discounts and promotional offers on pet and housing related products & services.
- ✦ Emergency preparedness through easy mobile access to vet records, microchip info, and photos.
- ✦ Access to FidoTabby Alert - the FREE Amber Alert for lost pets. Initiate a lost pet text alert to your nearby network and be alerted when your pet is found.

To get started, visit the landing page link for your property. This connects your information to the property directly!
