## MESSAGE FROM MRS. FREIBURGER

As we await the birth of Jesus, there is an air of excitement among all students. However, it's critical to remind children to adhere to instructions and manage their emotions appropriately. Thank you for your continued support and union as we form our saints and scholars. We'd like to express our gratitude to all those who have generously donated to our teacher Wishlist. Your contributions are highly appreciated.

For those who haven't yet donated or are interested in contributing further, there's still time to do so. Wishlist forms can be obtained from the school office, or donations can be made to the SGO fund, which provides a tax credit. For more information, please don't hesitate to contact us via phone or email.
