MESSAGE FROM MRS. FREIBURGER

It appears we are experiencing a brief respite from the frigid temperatures, although snow is forecasted to return tonight and into tomorrow morning. In light of this, we have several options available should we need to delay or cancel activities.

We can implement our standard two-hour delay, and we also have the option for a three-hour delay. While we have already utilized our original three Asynchronous E-Learning Days, the Diocese has granted us three additional days for use if necessary. Additionally, we have received three extra Synchronous E-Learning Days, for a total of six, which have yet to be utilized.

We are actively coordinating with students to ensure that we are prepared to implement these options should the need arise.

Mark's Ark

On Thursday of Catholic Schools Week, we unleashed a wild adventure with Mark's Ark and his parade of amazing animals! With career day in full swing, Mark chatted with the students about his lifelong love affair with critters beyond the classic cats and dogs—think lizards and snakes! He shared tales from his career journey, starting at a pet store, swinging by the Fort Wayne Children's Zoo, and now, he's the ringmaster of his own pet-tacular business, bringing furry and scaly friends to parties, schools, and events. Check out these snapshots of the day's animal antics!
