MESSAGE FROM MRS. FREIBURGER

As we prepare for the 26-27 school year, please anticipate the release of an enrollment link within the next couple of months. Indiana is transitioning to the Universal Choice program, which will eliminate income guidelines, ensuring that all students can benefit from this initiative. It is our goal that no student will be denied access to the program.

Please help us spread the word. With our robust SGO account, we have the resources to ensure that no family is turned away for financial reasons.

Fire Safety

Big shoutout to our blazing heroes, the Fort Wayne Fire Fighters, for swooping into our schools and schooling our kiddos on fire safety! Their program, "Learn Not to Burn," lit up the minds of our PK – 2nd graders and 4th graders. Meanwhile, our 3rd graders got their fiery wisdom at the "Survive Alive" program back in November. Stay safe and flame-smart, young sparks!

MLK JR Day

Our First Graders celebrated MLK JR Day by making friendship bracelets. They learned that everyone should practice kindness and that kindness can come in many ways.
