MESSAGE FROM MRS. FREIBURGER

As we reach the 23rd day of the school year and prepare to receive midterm reports today, I am pleased to reflect on our accomplishments. Students are actively learning, growing, and demonstrating significant progress in their character development.

In August, we focused on the virtues of Faith, Hope, and Charity, and we are currently exploring Kindness and Respect. If you seek a saint to pray to for Hope, the students learned that St. Rose of Lima is a fitting intercessor. For Kindness, St. Veronica is the saint to turn to, and if you require support in fostering Respect, consider praying to St. Damian.

GATOR STORE ITEMS

Dear Parents,

We would greatly appreciate your willingness to donate additional items for the upcoming Gator Store. Now that the children have experienced the Gator Store, they can share their preferences and express what items they would like to see included. We are particularly interested in incorporating gift cards to restaurants and various stores, among other items. Thank you for your continued support!

FIRST GATOR STORE

We extend my heartfelt gratitude to everyone for their generous donations to our inaugural Gator Store. The students were thrilled to utilize their hard-earned money. Additionally, we offered the opportunity to contribute to a charitable cause. Our seventh and eighth graders selected two distinct charities for support. The first charity, introduced at this Gator Store, is

Moms in Need: Women's Care Center, to which we have proudly donated \$69 thus far. We will announce the second charity at our next Gator Store in October. Our goal is to transform the contributions from students into substantial support, potentially leveraging matching donations as well.
