MESSAGE FROM MRS. FREIBURGER

The first day of fall was on Monday, and we have already experienced our initial fog delay. If you have not been receiving the Reach Alerts regarding schedule changes or upcoming events, please contact the office to be added to the notification system.

We are excited about the upcoming fall field trips and look forward to sharing photos as they unfold. The harvest season has begun for local farmers, and the delightful aromas of autumn, including pumpkin and spice, fill the air.

As we move ahead, our teachers have been diligently preparing for the first 6½ weeks of school. We are also gearing up for the Grades 3-8 ILEARN checkpoint testing scheduled for the next couple of weeks.
