MESSAGE FROM MRS. FREIBURGER

Can you believe it? We've already flipped the page on one school month out of the ten! As we cozy into our routines, here's a friendly nudge about keeping those germs at bay. With summer waving goodbye, those sneaky germs are ready to mingle. So, let's make sure your little scholar is catching plenty of Z's, scrubbing those hands like a champ, and fueling up with balanced meals. We're all about brain power here at school, and boy, does all that thinking make you hungry!

FRIENDLY REMINDER

UPCOMING EVENTS

- **9/29 → ALL SCHOOLS MASS @ COLISEUM @
10:00AM**

4th Grade will be dressing up as Saints for this Mass. We will need drivers for the Mass, please keep this date open to help ensure our students can get to the Mass.

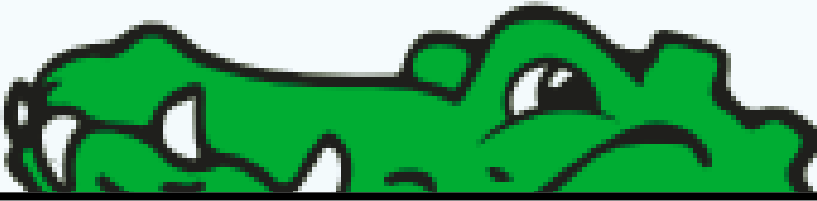

Reminder: All Safe - Environment requirements will need to be met in order to volunteer to drive on field trips or come into the school to volunteer for various activities. Please check with Sue in the office for more information.

STREAM TEAM

Mr. Tony Vining and his stream team are looking for new members to join them. The stream team is responsible for recording weekend Masses. As a few of their current members are Seniors or already graduated, they'd like to get training provided before they are all gone.

All training will be provided and is geared for students Grades 5th and up. If you'd like to become a member of the Stream Team, please contact Tony @ tvining@saintaloysiusyoder.info

UNIFORM SHOP

We have a new uniform shop NOW open. It will be open until 11:59 PM Sept. 14th.

I found out that our gym uniform was not on the summer ordering window, my apologies.

We do have it on this ordering window. Reminder: Grades 4 - 8 must have a gym uniform to change into. This will effect their grade if a student does not change into the appropriate gym clothes. If you have any questions or concerns, please contact Mrs. Freiburger.

SCHOOL ECONOMY

To foster the development of our Saints and Scholars this year, we have implemented a school economy designed to hold students accountable for their actions. Mrs. Amanda Freiburger will guide students in understanding money management, finances, and checkbook balancing. Our entire staff will enforce the established rules and guidelines to ensure accountability.

Students in grades 4 through 8 will receive a bi-weekly allowance. Their behavior during the school day will be closely monitored, and deductions will be applied for actions such as arriving unprepared for class, displaying unacceptable behavior, or forgetting homework.

At midterm and the conclusion of each quarter, we will host a Gator Store where students can spend their earned money on various items. While the selection is still being finalized, it is expected to include treats such as candy, bags of chips, soda, homework passes, and dress-down day passes. Additionally, we plan to incorporate charitable giving as an option. Our 7th and 8th graders will research different charities and select two to support.

We will seek the assistance of parishioners and parents to potentially match the contributions made by the students throughout the year.

In contrast, our pre-kindergarten through 3rd-grade students will follow a different accountability system. Instead of incurring deductions for negative behaviors, they will earn money based on their positive actions, which they can then spend at the Gator Store.

We are seeking assistance to stock our Gator Store. Who knows our students better than you? We encourage you to ask your students what items they would like to purchase with their hard-earned Gator Bucks. Additionally, if you wish to donate items, your generosity would be greatly appreciated. Please label donated items for the Gator Store and send them in as soon as possible. Our first midterm date is September 15th.

Should you have any questions, please feel free to reach out to Mrs. Carin Freiburger.
