*“Quality Product, Affordable Price, and Exceptional Value!”
- NKBC*

INTRODUCTION

About Us

National Kitchen & Bath Cabinetry, also known as NKBC, is a wholesale cabinet supplier offering Semi-Custom All Wood Cabinets. NKBC was established in Concord, NC in 2016. In less than three years, we have become one of the leading players in the cabinet industry throughout the United States. When NKBC's first location opened, we started with only three product lines. We have since expanded our products and have provided quality cabinets for the needs of every customer at affordable prices. Our design team works actively with our factory to meet the needs and expectations of our customers. Our innovative designs and quality craftsmanship set us above the competition. Our goal is to make your home more stylish and comfortable while providing exceptional value with endless possibilities. NKBC is proud to announce that we have trademarked our products to two of the largest authorized cabinet wholesale distributors in Romeoville, IL, and Hanover, MD.

Our Mission and Goal

NKBC insists on the principle of maintaining customer satisfaction by delivering great products, prices, and services. **No job is too small!**

About Price

NKBC, a wholesale cabinet supplier aims to provide high quality cabinets. As a wholesaler, we purchase in large volumes at a lower cost while offering exceptional value. We are then able to pass those savings to our customers by keeping our prices economical and affordable.

About Clients

Our target clientele is anyone related to the cabinet and construction industry (distributors, developers, builders, retailers, contractors, designers, etc.). The NKBC showroom is open to the public, however, we do not sell to the end users or homeowners. If you are a homeowner and you are interested in our products, you can bring your own contractor or we can help you to contact the nearest NKBC authorized dealer in your area.

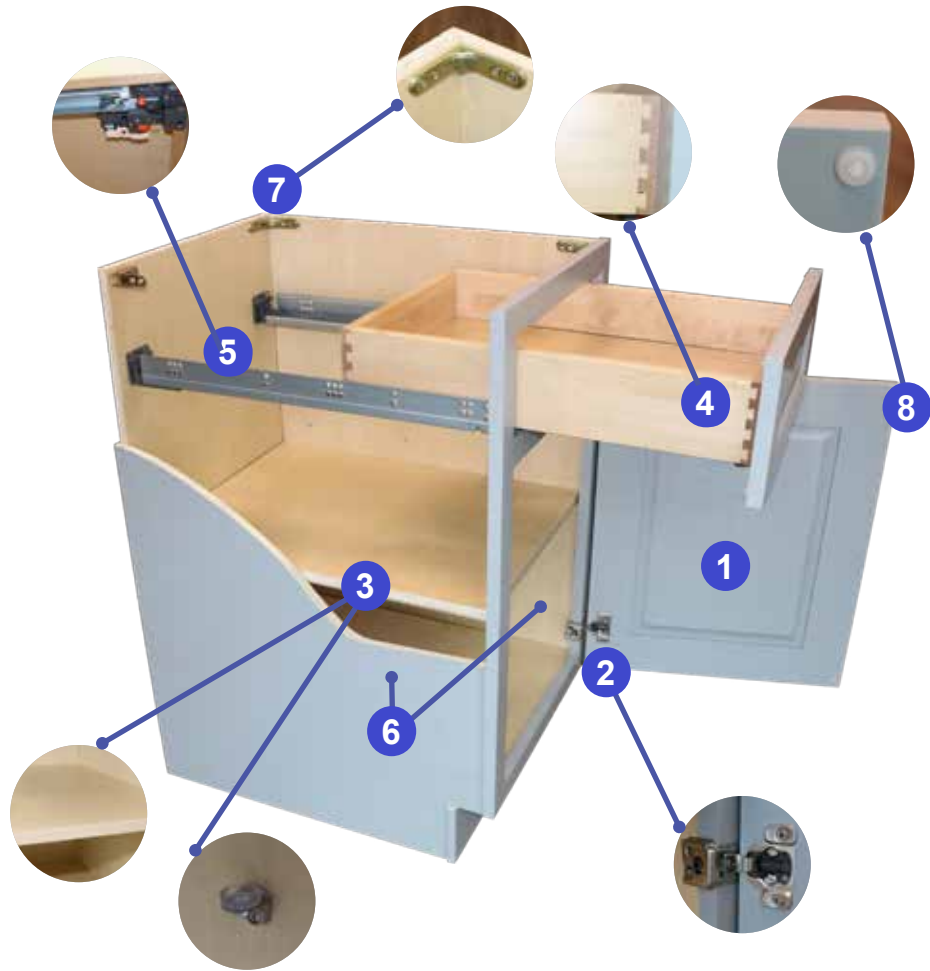

About Services

We believe a product is only as good as the service that supports it. With our large inventory and variety of cabinet styles and sizes, customer orders can be fulfilled within days. We offer delivery for an additional charge for local customers. For out of state or international customers, we offer shipping via popular freight logistic companies. To meet our customers' specific needs, we also offer assembly, semicustom services and modification applications for our cabinets.

PRODUCT & CONSTRUCTION

Our Products

All NKBC's cabinets are Ready-To-Assemble (RTA) and Semi-Customizable to our customers' specific needs. Our cabinets are all-wood, plywood construction (Absolutely no particle board or MDF), dovetail drawer boxes, and a full overlay door style. They also come standard with under-mounted, full extension, heavy duty, soft-close drawer glides and 6-way adjustable, European Style, hidden, soft-close hinges. Not only do we offer constructed, standard sizes available in 3-inch increments, but we also offer an extensive selection of accessories such as moldings, corbels, posts, valances, and decorative doors. With variety of product styles, finishes, and features, NKBC is able to provide every customer with endless possibilities.

- 1 3/4" Full Overlay Door, All Wood Center Panel
- 2 Soft Close, 6 Way Adjustable European Style Hidden Metal Hinges
- 3 3/4" Full Depth, Edge Banded, Adjustable Plywood Shelf, Shelf Holder with Plastic Suction Cup & Thread for Wood/ Glass Shelf
- 4 Dovetail Drawer, 1/2" Solid Wood Sides
- 5 Undermount Full Extension Soft Close Drawer Glides
- 6 5/8" Plywood Side Panel with Clear Coat / Natural Wood Interior Finish & Matching Finish Exterior
- 7 Metal Bracket Reinforcements for Base Cabinets
- 8 Adhesive Clear Door Bumper

SPECIAL ORDER SINKS

Model: SS SM3018
Single Bowl Stainless Steel Kitchen Sink
Product Features:
Style: Under Mount
Steel Thickness: 18 Gauge

Model: SS AP3322D-A
Double Bowl Stainless Steel Apron Sink 50/50
Product Features:
Style: Under Mount
Steel Thickness: 18 Gauge

Model: SS SM502
Double Bowl Stainless Steel Kitchen Sink 50/50
Product Features:
Style: Under Mount
Steel Thickness: 18 Gauge

Model: Sink 208
Oval Shape Ceramic Bathroom Sink
Product Features:
Style: Under Mount
Color: White

Model: SS SM503R
Double Bowl Stainless Steel Kitchen Sink 60/40
Product Features:
Style: Under Mount
Steel Thickness: 18 Gauge

Model: Sink 2013
Rectangular Ceramic Bathroom Sink
Product Features:
Style: Under Mount
Color: White

Model: SS AP3322C-33
Single Bowl Stainless Steel Apron Sink
Product Features:
Style: Under Mount
Steel Thickness: 18 Gauge

Note: Absolutely no returns or exchanges can be made on any special orders. Specifications are subject to change without notice. Our style & product availability may vary slightly from those shown in this catalog.

VANITY CONCEPT

LIMITED WARRANTY FOR ONE YEAR

Warranty.

National Kitchen & Bath Cabinetry, also known as NKBC warrants that all cabinets sold by NKBC are free from defects in material and workmanship under normal use for a period of one year (1) limited warranty from the date of purchase. This warranty is only applicable to products used in residential applications and is not transferable to subsequent owners. This warranty shall become void if the cabinets are in any way modified, improperly assembled, installed or damaged prior to or during the installation. Furthermore, this warranty will not apply to cabinets damaged by misuse, neglect, abuse, exposure to moisture, exposure to extreme temperatures or the effects of normal wear and tear.

Variations and Environmental Exposures Not Covered.

By purchasing the product, the original purchaser acknowledges that natural woods may vary in color, characteristics and exhibit subtle changes as they age. Sunlight, smoke, moisture, household cleaners and other environmental conditions may also affect the color match, or cause the materials to warp, split, or crack over time. These variations are considered to be the nature of the material in relation to their environmental exposure and are not covered under this warranty.

Updated Product Lines.

NKBC periodically updates and makes changes to its product line and specifications. If a warranty claim is filed after a NKBC product becomes obsolete, NKBC reserves the right to alter specifications and material without obligation to make similar changes to products previously manufactured. NKBC will replace the part under warranty with a new part of the same style or with a similar style currently offered, but NKBC cannot guarantee that the finish of these replacements will exactly match the finish and appearance of the components in the residential application. This is due to the changes that occur during the woods natural aging process, affecting its color and grain.

Disclaimers.

THIS WARRANTY IS THE EXCLUSIVE WARRANTY OF NATIONAL KITCHEN & BATH CABINETRY AND IS IN LIEU OF NATIONAL KITCHEN & BATH CABINETRY DISCLAIMS ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

Non-Transferability of Warranty.

NKBC warranty is not transferable to end-users, including consumers and homeowners who purchase NKBC products through the original purchaser. Any and all end-user warranty claims must be handled through and by the original purchaser, which may independently provide warranties to the end-user. The original purchaser, through its independent warranty with the end-user, is liable for a claim that would otherwise have been covered by NKBC warranty to the original purchaser but for its non-transferability.

Submitting a Claim.

To obtain replacement(s) under this limited warranty, the original purchaser must contact the NKBC office or warehouse from which the product was purchased. A payment receipt or paid invoice as proof of purchase is required to obtain benefits from this warranty, dated no earlier than one year (1) from the date of warranty claim and (2) if the claim is from an end user, first contact your authorized NKBC dealer or distributor, who will arrange for inspection of the cabinet. A copy of the end-user's original purchaser payment receipt is required, dated no earlier than one year (1) from the date of a warranty claim.

MAINTENANCE & CARE

Regular Cleaning.

Use a clean, soft, lint-free cotton cloth for regular dusting. If more thorough cleaning is required, please use a fresh solution of mild hand / dishwashing liquid mixed with warm water. After cleaning, wipe all surfaces and dry with a clean, soft cloth.

Splatters and Spills.

Prolonged exposure to spills, including food, water or other liquids, or to oil and grease splatters, can cause permanent discoloration or damage to our cabinet's finish. Remember to clean spills and splatters immediately.

Cleaning Glass Cabinet Doors.

Extra care is required when cleaning glass doors. Spray an ammonia-free glass cleaner on a clean, soft, lint-free cloth or paper towel. Do not spray cleaner directly on the glass. It could seep behind the window dividers and cause damage.

Scratches, Gouges and Nicks.

A Touch-Up Kit is available to hide surface damage. You can purchase the color-matched touch-up kit from us. Use the kit's touch-up pen to hide minor blemishes. Use the kit's tinted putty stick to fill deeper scratches, gouges or nicks.

Cleaning Products to Avoid.

The following cleaning products are to be avoided as damage may occur:

- Harsh detergents, strong soaps, abrasive cleaning products such as tub and sink cleansers, scouring powder, scouring pads, steel wool or self-polishing waxes.
- Sponges or dish cloths. They may contain particles that could scratch your cabinets, or they may contain food and oil residue or remnants of harsh cleaning solutions.
- Cleaning products that include ammonia or bleach.

Avoid Moisture, Heat & Light Damage.

- Avoid Moisture Damage: Avoid draping damp clothes or dishtowels over cabinet doors. This moisture can cause permanent damage - such as peeling and discoloration to the cabinet's finish.
- Avoid Heat Damage: The heat generated when using an oven's self-cleaning feature is much greater than during normal cooking. If this heat escapes from the oven, it can damage your cabinets.
- Avoid Light Damage: Exposure to direct sunlight tends to darken the color of natural wood products. Sunlight can also fade painted wood surfaces. You may consider draperies or blinds to shield your cabinets from direct sunlight.
