

Southwestern States Residency Conference (SSRC) Abstract Submission 2026

Use this template worksheet for the submission of your abstract. Only abstracts submitted using this form AND completed in Qualtrics will be accepted.

- The abstract must contain a detailed description of the project or case and the importance of the report to pharmacy practice.
- Write content in paragraph form (no bullets).
- Do not include the title or authors in the body of the abstract.
- Ensure all fields are completed on worksheet (this will allow for smoother submission process).
- Complete all components of the online Qualtrics submission form and upload abstract submission worksheet here: https://midwesterncop.co1.qualtrics.com/jfe/form/SV_3kPZV9jopySIY3Q

Financial Relationship Disclosure

AzPA is accredited by the American Council of Pharmacy Education. We appreciate your help in partnering with us to follow accreditation guidelines and help us create high-quality education that is independent of industry influence. To participate as a person who will be able to control the educational content of this accredited CE activity, we ask that you disclose all financial relationships with any ineligible companies that you have had over the past 24 months.

Ineligible Companies:

- Those whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients. (Examples include Pharmaceutical Companies)

Examples of financial relationships include:

- **Employee, researcher, consultant, advisor, speaker, independent contractor (including contracted research), royalties or patent beneficiary, executive role, and ownership interest.** Individual stocks and stock options should be disclosed; diversified mutual funds do not need to be disclosed.
- **Research funding from ineligible companies should be disclosed** by the principal or named investigator even if that individual’s institution receives the research grant and manages the funds.
