BREEDERS' CUP – LET IT RIDE – SHOW PARLAY CONTEST
LAST SEVEN BREEDERS' CUP RACES ON OCTOBER 31, 2026
COMPLETE RULES AT FONNERPARK.COM

October 31, Breeders' Cup Saturday. The contest costs \$20 to enter. This becomes your wagering bankroll of \$20.

To wager, you may only place show bets, and you must always "let it ride" ... in other words, with each wager you must bet the entire amount you have remaining (to the last whole dollar) in your contest bankroll/balance.

For example, you will start off with \$20. You must bet \$20 to show on a horse. If that horse finishes third or better, you'll win the bet! Let's say you end up with \$28.50. The next time you bet, you must bet \$28 to show on a single horse, and the \$0.50 will stay in your account and be added to your winnings if you win that bet. You'll keep going in the contest until your horse doesn't show or until the contest is over.

If you lose a bet, the balance will fall to less than one dollar, and that entry is out of the contest. Any remaining change in the account less than \$1 will carry forward to the prize pool of our next contest. You may purchase up to five entries. Every entry must wager in every contest race or it is eliminated from receiving the prize pool.

The contest will consist of the last seven Breeders' Cup races on Saturday, October 31, 2026.

The winners will be the entries with the HIGHEST SINGLE CONTEST WAGER (win or lose!) or if the entry survives all races, the highest bankroll after all the races are complete, all ranked together from largest to smallest. The three highest wagers (or ending bankrolls) will split the prize pool 60%, 25%, and 15%.

CONTEST RULES

- One person may purchase up to five entries.
- Each entry costs \$20. The entire amount is applied to your bankroll.
- No entries may be purchased after the first contest race.
- Each entry must play each race. Failure to play each race will eliminate that entry from being eligible for the prize pool. However, the contestant may keep any money in that entry at the end of the contest.
- The winners will be determined based on the BIGGEST WAGER OR HIGHEST FINAL VALUE of the entry if the entry successfully survives all seven races. For example, if a person builds an entry up to \$230, then wagers and loses it before the final contest race, that entry will be ranked higher than a person who survives all seven legs and finishes with a value of \$170. One single entry may not win multiple prizes (e.g., one entry cannot have both the largest and second largest wager).
- Contestants are entitled to any remaining account balance (greater than \$1 dollar) at the end of contest.
- The contest will begin with the third Breeders' Cup race on Saturday which is expected to be Race 6, the Breeders' Cup Sprint (post time 1:26 PM Central). It will conclude with the final Breeders' Cup race which is expected to be Race 12, the Breeders' Cup Classic (post time 5:16 PM Central).
- All applicable parimutuel regulations and tax laws will govern contest wagers and winnings.
- The prize pool will include \$250 cash and \$250 in free play, all provided by Grand Island Casino Resort.
