### Analysis

#### Check All that Apply:

Household Package **\$185**

**Includes most common natural occurring factors, that will add flavor or color your water, stain fixtures, or possibility to make you ill at high enough levels**

*Includes: pH, Chloride, Total Hardness, Nitrate as N, Calcium, Magnesium, Sodium, Sulfate, Iron, Manganese, Conductivity, Total Dissolved Solid, Total Coliform bacteria and E.coli bacteria*

Livestock Package **\$135**

**It is not uncommon for aesthetic problems, such as odors and tastes, to cause water intake in livestock to drop. This, in turn, can reduce productivity.**

*Includes: pH, Chloride, Total Hardness, Nitrate as N, Calcium, Magnesium, Sodium, Sulfate, Iron, Manganese, Conductivity, Total Dissolved Solid*

Basic Package **\$75**

**Most commonly used as the minimum requirement to purchase, sell or refinance a property.**

*Includes: Total Coliform Bacteria, E.Coli Bacteria and Nitrates as N.*

Additional testing (call for pricing): (list here) \_\_\_\_\_

**Please include payment and a complete info sheet with signature. **Payment required at time of drop off.** All major credit cards are accepted over the phone. If you have any questions, please call 316-618-8787 and someone will help you right away.**
