Dear Progreso ISD Community,

We hope this letter finds you and your families safe and well. As you may know, our community was recently hit by a severe storm, which has caused widespread damage and power outages. Our schools and many members of our community, including some of our teachers and staff, are still without electricity.

After careful consideration, **we have decided to cancel classes for tomorrow, May 1, 2023**, due to the ongoing power outages affecting our schools. Our top priority is the safety and well-being of our students and staff, and we believe that canceling classes is the best course of action at this time.

We will resume classes on Tuesday, May 2, 2023.

Thank you for your understanding and support during this challenging time. We wish everyone in our community a safe and speedy recovery from the storm.

Sincerely,

Sergio Coronado
