

AURORA *Luminary Cocktails for Community*

Women and Girls Foundation

On October 4, 2023, we're back to extend our winning streak with another fabulous "Cocktails for Community" at Dunkin' Park. We'll light up the Jumbotron with stories of the incredibly inspiring women your support empowers with educational and economic opportunities.

We're excited to gather our community to **SHINE A LIGHT** on women and girls in Greater Hartford.

Early Bird Special
