To Those We Serve

Federal and State agencies have determined that itemization of funeral services is essential for the benefit of the general public to assure that consumers are not asked to pay for services they do not receive. It is essential that each item of service, in addition to our basic fee for service, be identified. In all categories of service, a basic fee will be charged, plus a fee for each requested or required item of service. However, the complete and total quotation for direct cremation without formalities is all inclusive. Other options are also available. It is our sincere concern that every requirement you may have fulfilled, in addition or apart from our standard offerings as listed herein. Please feel free to express yourself to our counselor. We will make every effort to meet your needs.
