

The Rossholme Ramble 2025

The **Rough Ramble** centres on the village of **Holne**, near **Buckfastleigh**, where there is an excellent pub, **Church House Inn**, as well as a shop and tearoom.

Walkers can choose to go on the southerly, **15 miles**, route via **Scorriton** and the **Avon Dam**.

or the northerly, **11 mile**, loop via **Dr Blackall's Drive**, **Dartmeet** and **Huccaby**.

The two can be glued together to make the full **26 mile** route, although this is not recommended for the faint-hearted, unprepared or inexperienced!

This year sees the introduction of a new '**Little Ramble for Rossholme**' route, which is a scenic, moderately hilly **5.5 miles** following the **River Dart** to start with and then returning to **Holme** over **Dr Blackall's Drive**.

The **Church House Inn** is an excellent meeting place for walkers to have a well-deserved drink and/or meal whilst doing the **Ramble**.
