Brad suggested the use of the Old Stockman's Café Building. The rental cost there is \$175, and when asked, they may waive the rental. (Will get back to us). The municipal building was also suggested. Nicole will talk with the Golf Board to see if this is still required. We have not been charged in the past as we clean before and after the event.
 - b. **Women's Event:** Instead of doing the normal Steak Fry, the Chamber is looking at other options. A Sip and Socialize or Bunko game was thrown out as different options.
 - c. **Dates:** Women's August 4th and Men's August 11th.
