SPRING-SUMMER 26

KALEOS KIDS

OUR 6TH KIDS COLLECTION IS HERE! DESIGNED FOR YOUNG DREAMERS, THIS SEASON INVITES KIDS AND TEENAGERS TO EXPLORE WHO THEY ARE WHILE IMAGINING WHO THEY MIGHT BECOME. WE INTRODUCE 9 NEW STYLES: 6 OPTICAL FRAMES AND 3 SUNGLASSES.

SPACE EXPLORER2

UNEXPECTED TWISTS FOR KIDS COLLECTION

For SS26, the journey moves beyond Earth. The campaign travels between outer space and the grown-up world, where imagination transforms offices into cosmic landscapes. Because for kids, space is not only above us. It is a place to create, to wonder, and to play grown-up in their own way.

Inspired by futuristic shapes and unexpected twists, the collection plays with shape, proportion, and colour. Mini versions of KALEOS' iconic adult frames return, reimagined with lighter constructions and bold details that feel both playful and purposeful.

KALEOS KIDS SS26 celebrates imagination without limits. From cosmic daydreams to everyday adventures, each frame is designed to see the world with confidence, curiosity, and style.
